(d) Changes in the value of land and buildings and investments

Changes in the unimproved capital value of land and the insurance replacement value of buildings and contents are shown as a revaluation in the statement of comprehensive income and are reflected in the funds section of the statement of financial position. The net change in the fair (market) value of investments is shown as a revaluation in the statement of comprehensive income and is reflected in the funds section of the statement of financial position.

Liabilities for employee benefits in relation to wages, salaries, annual leave and sick leave represent present obligations resulting from employees' services to year end. (f) Income tax

The Parish is a charitable institution and has been endorsed as exempt from income tax.

INDEPENDENT ASSURANCE PRACTITIONER'S REVIEW REPORT

To the parishioners of church name parish name

Report on the annual Financial Statements

I have reviewed the accompanying Financial Statements of which comprise the Statement of Comprehensive Income, the Statement of Financial Position and the Notes to the Financial Statements for the year ended 31 December 2023.

I have also reviewed the Property Income Worksheet which has been prepared in accordance with the provisions of the *Property Receipts Levy Ordinance 2018*.

Wardens' responsibility for the annual Financial Statements

delete [the words in red in square brackets]

The Wardens of the church/parish are responsible for the preparation and fair presentation of the Financial Statements in accordance with the *Parish Administration Ordinance 2008*. This responsibility includes establishing and maintaining internal control relevant to the preparation of the Financial Statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

Assurance Practitioner's responsibility

My responsibility is to express a conclusion on the Financial Statements based on my review. I conducted my review [in accordance with Standard on Review Engagements ASRE 2400 Review of a Financial Report performed by an Assurance Practitioner Who is Not the Auditor of the Entity.] in order to state whether, on the basis of the procedures described, anything has come to my attention that causes me to believe that the Financial Statements are not presented fairly, in all material respects, in accordance with the Parish Administration Ordinance 2008. [ASRE 2400 requires me to comply with the requirements of the applicable code of professional conduct of a professional accounting body.]

A review of the Financial Statements consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly I do not express an audit opinion.
