- (b) advise the regional council in writing of the name of the church if recognised.

7. Criteria for Recognition

The criteria for recognising a church are –

- (a) the Archbishop is willing to appoint the person named in a proposal under clause 4 as the minister of the church if recognised; and
- (b) the church, if recognised, would have the ability from its own resources –
 - (i) to pay the person referred to in paragraph (a) the minimum stipend and other allowances recommended at that time by the Synod or the Standing Committee; and

 - (iii) to pay all amounts payable for assessments and other charges under the Assessment and Charges Ordinance 1975; and
- (c) the church has not less than 80 members as at the date of the proposal of which the number in attendance at each regular meeting during the 3 month period to the date of the proposal has been at least two-thirds or that number; and
- (d) there is satisfactory evidence that a substantial number of the members of the church support the proposal for recognition; and
- (e) if the church is a congregation which is under the pastoral leadership of a minister of a parish –
 - (i) the minister and parish council of the parish have consented to the proposal, or
 - (ii) the regional council otherwise approves the separation of the church from the parish.

8. Declaration of Recognition

(1) If, having investigated a proposal received under clause 4, a regional council determines that a church satisfies the criteria for recognition the regional bishop must declare that the church is a recognised church subject to the person named in the proposal –

- (a) receiving an offer from the Archbishop pursuant to clause 6; and
- (b) accepting the responsibility of minister to that church and, if not ordained as a presbyter, accepting the Archbishop's offer to be so ordained.

 - (i) the Archbishop; and
 - (ii) the representative; and
 - (iii) the Registrar; and
 - (iv) the Standing Committee; and

- (v) the parish council of the parish within which the meeting place is situated and the minister of each parish adjacent to that parish, of the declaration; and
- (b) implement all arrangements necessary to give effect to the declaration.

9. Appointment of Minister

Upon receiving a notification under clause 8(2), the Archbishop will saving lawful objections –

- (a) if the person named in the proposal is not a presbyter, ordain that person as a presbyter; and
- (b) appoint and, subject to clause 16(2), license that person as the minister of the recognised church.

10. Inability to Declare Recognition

(1) If having investigated a proposal received under clause 4 the regional council concludes that the church does not satisfy the criteria for recognition the regional council must, in writing, notify the representative of the reason or reasons why the church does not satisfy the criteria.

(2) The representative may within 21 days of receiving the notification under subclause (1) submit, in writing, to the regional council further information addressing the matters referred to in the notification.

(3) If the representative submits further information the regional council must as soon as practicable after receiving and considering such information determine that –

- (a) the church satisfies the criteria for recognition in which case clause 8 applies; or
- (b) the further information fails to rectify the deficiencies identified in the notification given under subclause (1).

11. Non-Acceptance of Proposal

(1) The regional bishop must declare that a proposal to recognise a church has not been accepted if –

- (a) the representative does not submit further information in terms of clause 10(2); or
- (b) a determination is made under clause 10(3)(b).

(2) As soon as practicable after a declaration under subclause (1) is made, the regional council must, in writing, notify the Archbishop, the representative and the Standing Committee of the declaration and provide –

- (a) the Standing Committee with –
 - (i) a copy of the notification given pursuant to clause 10(1); and
 - (ii) a copy of the further information, if any, provided pursuant to clause 10(2); and
 - (iii) the reasons for making the declaration under subclause (1); and
- (b) the representative with the reasons for making the declaration under subclause (1).

12. Appeal

(1) Any person aggrieved by a decision of a regional council or a failure of a regional council to make a decision under clause 7(e)(ii), 8, 10 11 or 12B(1)(a) may appeal to the Standing Committee.

(2) On receipt of any such appeal, the Standing Committee must invite the members of the Standing Committee who represent the region concerned to make representations to the Standing Committee in relation to the appeal.

(3) After receiving any representations under subclause (2), the Standing Committee may exercise the functions of the regional council under clauses 7(e)(ii), 8, 10, 11 and 12B(1)(a).

(4) Any decision of the Standing Committee under subclause (3) is final.

Part 3A – Recognition of Provisional Status

12A. Modified process for recognition of provisional status of a church

A proposal to recognise the provisional status of a church may be made in accordance with Part 3 subject to the modifications and requirements set out in this Part 3A.

12B. Criteria for recognition of provisional status

For the purpose of recognising the provisional status of a church, the criteria for recognition are –

- (a) the Archbishop is willing to appoint the person named in the proposal under clause 4 as the minister of the church if recognised, and
- (b) the church, if recognised, would be likely within a period of 5 years to satisfy the requirements of clauses 7(b) and (c), and
- (c) the regional council is willing and able to meet any shortfall in the payment by the church, if recognised, of the amounts referred to in clause 7(b)(iii), and
- (d) there is satisfactory evidence that a substantial number of the members of the church support the proposal for recognition, and
- (e) if the church is a congregation which is under the pastoral leadership of a minister of a parish –
 - (i) the minister and parish council of the parish have consented to the proposal, and
 - (ii) the regional council otherwise approves of the separation of the church from the parish.

12C. Declaration of provisional recognition

For the purposes of clause 8, if a regional council, having investigated a proposal received under clause 4, determines that a church does not satisfy the criteria for recognition under clause 7 but does satisfy the criteria for recognition under clause 12B, the regional council must declare that the church is a provisional recognised church subject to the person named in the proposal –

- (a) receiving an offer from the Archbishop pursuant to clause 6, and
- (b) accepting the responsibility of minister to that church and, if not ordained as a presbyter, accepting the Archbishop's offer to be so ordained.

12D. Inability to declare recognition under Part 3 but ability to declare recognition under Part 3A

For the purposes of clause 10(3), a regional council may, as an alternative to making a declaration referred to in paragraph (a) or (b) of that clause, declare the church does not satisfy the criteria for recognition under clause 7 but does satisfy the criteria for recognition under clause 12B in which case clause 8 applies.

12E. No appeal in relation to provisional recognition

Clause 12 does not apply to a decision of a regional council or a failure of a regional council to make a decision in relation to the recognition of a church under this Part 3A.

Part 3B – Ecclesiastical districts

12F. Assigning an ecclesiastical district to a recognised church

(1) The Archbishop may create and assign a new ecclesiastical district to a recognised church if –

- (a) the proposal to recognise the church under clause 4(1) includes a request that the Archbishop assign to the church an ecclesiastical district if recognised, or
- (b) the Archbishop receives a written request to do so from the minister and a majority of the members of the parish council of the recognised church which includes the suggested boundaries of the district and the reasons why such a district should be assigned,

and the meeting place of the recognised church is situated within the boundaries of the proposed ecclesiastical district.

(2) In deciding whether to create and assign a new ecclesiastical district to a recognised church, the Archbishop is to take into account –

- (a) whether the recognition of the church is of provisional status only, and
- (b) whether the ministry of the recognised church is undertaken or is likely to be undertaken largely within the geographical area corresponding to the proposed ecclesiastical district, and

- (c) whether the meeting place is likely to remain within the boundaries of the proposed ecclesiastical district, and
 - (d) the views of the parish council of any parish whose boundaries may be altered if the proposed ecclesiastical district is created.
- (3) The Archbishop may create and assign a new ecclesiastical district to a recognised church by an instrument which –
- (a) contains a description of its boundaries; and
 - (b) specifies a date from which it is deemed to be created; and
 - (c) is signed by him.
- (4) A copy of an instrument creating an ecclesiastical district is to be sent to –
- (a) the minister of the recognised church, and
 - (b) the Registrar, and
 - (c) the regional council, and
 - (d) the parish council of each parish whose boundaries have been altered by the creation of the ecclesiastical district.

12G. Cessation of an ecclesiastical district assigned to a recognised church

- (1) An ecclesiastical district created and assigned to a recognised church under clause 12F is deemed to have been created on the date specified in the instrument and continues in existence until the earliest of –
- (a) the date being 3 years from the date the ecclesiastical district is created or such later date as the regional council may determine by resolution from time to time; and
 - (b) the date on which the meeting place of the recognised church moves outside the boundaries of the ecclesiastical district; and
 - (c) the date on which the recognised church ceases to be a recognised church under clause 20.
- (2) Upon the ecclesiastical district ceasing to exist, the territory comprised in the district reverts to the ecclesiastical district or districts from which it was taken provided that, if the regional bishop acting on the advice of the regional council determines that any such reversion is inappropriate, the territory is to be assigned to any adjoining ecclesiastical district or districts in such manner and from such date as the regional bishop acting on the advice of the regional council may determine provided that before acting under this subclause the bishop and regional council must first consult with the parish councils of each of the effected ecclesiastical districts.

Part 4 – Governance

- (1) The administration provisions apply –
- (a) in relation to a recognised church which has not been assigned an ecclesiastical district under clause 12F, as if the meeting place is a church building, a parish and cure of souls within the Diocese and the minister thereof is licensed thereto as –

I have been baptised.

I am not less than 18 years of age.

I have usually during 3 months within the past 12 months attended regular meetings of the (name of recognised church).

I do not claim to be a member of any other church or a parishioner of any other parish of the Anglican Church of Australia.

Dated this day of 20 ."; and

- (b) the following applies in the place of the additional subscription set out in clause (2) –

- (3) Notwithstanding clause 13(2), upon a church being declared to be a recognised church, the Archbishop may determine, for the purpose of the inaugural general meeting of members, the attendance and participation requirements which will qualify a person to take part in the meeting as a member.
- (4) The recognised church shall conduct services of public worship regularly.

14. Other Ordinances

- (1) All other ordinances of the Diocese apply –

and it and he are recognised as such by all relevant ordinances.

- (3) The Archbishop-in-Council or the Synod may by resolution exclude or modify the application of an ordinance to a particular recognised church or to all recognised churches.

If the application of clause 13 or 14 gives rise to uncertainty or difficulties the Standing Committee, by resolution, upon being requested so to do or of its own initiative, shall determine the rule or rules to apply in the particular circumstances and clauses 13 and 14 will apply subject to that determination.

Part 5 – Particular Attributes

16. Minister and Assistant Ministers

- (1) A minister of a recognised church has the same pastoral responsibilities as a person appointed to a parish as its minister except that, in the case of a recognised church which has
